KING ART D. PACUMBERTO

ASPIRING IT PROFESSIONAL | PYTHON • C++ • HTML/CSS/JS

Quezon City, Philippines • kingartriez@gmail.com
LinkedIn: linkedin.com/in/king-art-pacumberto-6003b2353 | GitHub: github.com/Legioniz

PROFESSIONAL SUMMARY

BSIT student at the Polytechnic University of the Philippines - Quezon City, with hands-on experience in software projects, computer support, programming instruction, event coordination, food preparation, and residential electrical assistance. Builds practical applications and embedded prototypes using Python, C++, web technologies, SQL, and Arduino. Also practices public-source OSINT and foundational Linux and Kali Linux network security exercises in isolated, authorized labs.

TECHNICAL SKILLS & TOOLS

Programming & web: Python, C++, Java, JavaScript, HTML, CSS
Data & development: SQL, MySQL, Git, GitHub
Hardware & IT support: Arduino, robotics, sensor integration, LM35, PWM control, computer troubleshooting, hardware maintenance, software setup, networking
Design & production: Canva, PowerDirector, photography, photo editing, video editing, visual playback, audio/speaker setup, esports livestream operation
OSINT & verification: Public-source personal and corporate information gathering, official-source verification, preliminary legitimacy/compliance checks, task-specific research (not legal determinations)
Cybersecurity foundations (lab-based): Linux and Kali Linux fundamentals, Nmap host/port discovery, local firewall rules and configuration, port/traffic analysis and blocking, Medusa in authorized login-audit labs, isolated dummy-machine practice, traffic/IP-spoofing concepts; authorized systems only

PROFESSIONAL EXPERIENCE

Cook / Food Preparation & Beverage Staff — **Jul 2026 - Present**
Migoy's Burger | Quezon City, Philippines
- Prepare burgers, hotdogs, footlongs, ham, spam, tonkatsu, nuggets, and fries, along with milk tea, iced coffee, and fruit tea.
- Maintain food safety, hygiene, sanitation, and quality standards; manage ingredients and inventory; keep the workstation clean and efficient.

Cook / Food Preparation Staff — **Jul 2026 - Aug 2026**
Best Choice Food Cart Corp. | Quezon City, Philippines
- Prepared takoyaki and fried noodles, organized ingredients, monitored inventory, and ensured clean, safe, and timely food preparation.

Freelance Event Organizer — **Mar 2026 - Aug 2026**
Self-employed | Quezon City, Philippines
- Planned and coordinated school programs, community events, and private functions; managed logistics, vendor coordination, schedules, and on-site operations.
- Communicated with clients, suppliers, and team members to support event preparation and execution.

Student Teacher - On-the-Job Training — **Feb 2026 - Mar 2026**
College of Arts and Sciences of Asia and the Pacific (CASAP) | Quezon City
- Taught Programming (HTML/CSS) and Practical Research to senior high school students.
- Prepared lesson plans, facilitated hands-on coding sessions, and assisted students with programming exercises and research activities.

Computer Support Specialist - Freelance — **May 2022 - Apr 2026**
Project-based freelance | Quezon City, Philippines
- Diagnosed and resolved computer hardware, software, and network issues; installed and configured operating systems, applications, and peripherals.
- Set up home and office networks, routers, printers, and internet-connected devices; provided practical technical guidance and customer support.

Assistant Electrician - Freelance — **Nov 2025 - Dec 2025**
Self-employed | Quezon City, Philippines
- Assisted with residential wiring, outlet installation, lighting fixtures, and maintenance while supporting licensed electricians in troubleshooting electrical issues.
- Prepared tools and equipment and maintained an orderly work area.

SELECTED PROJECTS

LENS LAB | **Independent software project**
A photography learning and simulation application for exploring camera settings, practicing exposure, working with personal images, and using guided learning and preset workflows.
TECH: React, TypeScript, Vite, JavaScript, HTML, CSS.

SMART ELECTRICAL MONITORING | **Independent analytics demonstration**
A local-only electricity analytics demonstration for exploring consumption patterns, appliance estimates, anomaly signals, and forecasts with synthetic data. It is not connected to a live utility provider or meter.
TECH: Python, SQL / MySQL, web interface, data visualization.

AUTOMATED FAN CONTROLLER | **Arduino embedded project**
Programmed an automatic-sensor portable fan using Arduino and C++, with LM35 temperature sensing and PWM-based fan-control behavior.
TECH: C++, Arduino, LM35, PWM.

PYTHON GAME DEVELOPMENT | **Senior high school capstone**
Designed and built three game concepts using Python as a senior high school capstone project.
TECH: Python, game logic, programming fundamentals.

EDUCATION

Polytechnic University of the Philippines - Quezon City — **2026 - Present**
Bachelor of Science in Information Technology | BSIT 1-2 | AY 2026-2027

College of Arts and Sciences of Asia and the Pacific — **2024 - 2026**
Senior High School | STEM Strand | Grade: 96

Commonwealth High School — **2020 - 2024**
Junior High School | Science, Technology and Engineering (STE)

Golden Lamp School — **2014 - 2020**
Elementary

LEADERSHIP & EXTRACURRICULARS

SSG & SSLG | Commonwealth High School
Student-government participation with progression from Grade Level Representative to Auditor and Public Information Officer (PIO).

Glee Club | CASAP Quezon City
Campus Glee Club member and bass guitarist in the school's main band; performed at the school Gala Night.

Technology Club & Technical Team | School activities
Technology Club Officer and Technical Team Leader. Coordinated visual/video playback and speaker/audio systems for performances and school events; handled hardware/software troubleshooting, cable replacement, and speaker issues. Primary technical operator for Mobile Legends: Bang Bang and Call of Duty: Mobile esports livestreams.

Mathematics Club & Science Club | School activities
Officer in both academic clubs, supporting event planning and the design of event materials.

Badminton Club & Volunteer Photographer | CASAP QC activities
Participated as a badminton player and volunteered as an event photographer for casual and sports events, pageants, quiz bees, officers' portraits, competitive events, and documentation; handled photography, editing, and post-ready images.

AWARDS, CERTIFICATION & LANGUAGES

- Thailand International Mathematical Olympiad (TIMO) 2025-2026 Heat Round - Gold Award, Senior Secondary Group; Candidate No. 1005463.
- Winner - PUP Quezon City Hackathon; developed and presented an innovative software solution in a competitive team environment.
- Multiple-time winner - Quiz Bee and Spelling competitions.
- Best Paper Presenter - Applied Science; Second Place - Badminton Tournament.
- Stop the Bleed - First Aid Certificate, Philippine Red Cross.
- Filipino - Native; English - Intermediate.
